

A giraffe stands in a room with a large, ornate white mirror on the wall. The giraffe's head is turned to the left, and its mouth is open, holding a chain that supports a chandelier. The chandelier has five lit candles. A teal shield-shaped graphic is overlaid on the image, containing the text 'HOME INSURANCE'.

¹Like most insurance policies an excess applies. For example, your chosen excess will apply to all claims except escape of water or oil where a £500 excess applies, or your chosen excess if it's higher. Building Insurance also applies a fixed excess which is £1,000, for subsidence claims.

²If you choose to pay monthly a charge for credit will apply.
